

REPORT – 2023-2024

An Anti-Ragging Committee has been established in the college to oversee all anti-ragging initiatives and to ensure compliance with Osmania University regulations, to which the institution is affiliated. The Committee Members were on the task of monitoring from the commencement of first-year classes until the Freshers' Party, from July 8, 2024, to August 10, 2024. Their responsibilities included overseeing respective floors to prevent any disciplinary issues. Fortnightly reports, covering the periods from July 8, 2024, to July 15, 2024, and from July 18, 2024, to August 12, 2024, were submitted by the Discipline & Anti-Ragging Committee Members to the Principal. These reports confirmed that no incidents of ragging were observed or reported, affirming that our college is a Ragging-Free Zone.
