

REPORT – 2023-2024

The Earthwise Club - Conserve to Preserve of Villa Marie Degree College has organised the Wild life awareness week and Water Conservation Day during the academic year 2023-24.

1. **Wildlife Awareness Week:** Wildlife Awareness Week was organized by the club from 22nd Aug-26th Aug, 2023, to raise awareness on the importance of wildlife and their role in ecosystem and the growing challenges in protecting wildlife animal, the impact of climate change. Club members created awareness on wildlife on various animals by displaying charts, pictures on bulletin boards and through public address.
2. **Water Conservation Day:** Water Conservation Day was organized on 20th March, 2024 to spread awareness of water scarcity and access to clean water and spread consciousness to protect natural water bodies and aquatic animals, flash bob was organized and poster making competition was conducted.
