

## REPORT 2023-24

The Health Centre, an initiative of the Department of Mathematics & Statistics provides immediate healthcare access and addresses to the physical and mental health of all in campus.

During the Academic Year 2023-2024, the Health Centre in collaboration with Sri Lalitha Dental Care, organized a "Free Dental Health Check-up" on 26th August 2023. Led by Dr. A. Nageswar Rao, MDS, the event focused on addressing dental issues, promoting oral hygiene, and providing solutions to staff members of Villa Marie College.
