I would like to express my heartfelt appreciation for the informative and engaging session on 'Nutrition' conducted by your students at our school. Our students gained valuable insights into the importance of nutrition in maintaining a healthy lifestyle. A group of around 20 dedicated students managed to captivate the students' attention through interactive mode.

I am grateful for the initiative taken by your college in organising this session under the monitoring of Ankhi mam (Arts Department). We look forward to more such collaborations in this future.

Thank you for the fruitful session!

Sincerely,

J. Sailaja
